WHAT IS THE LEGACY GIVING SOCIETY?

The Legacy Giving Society consists of donors who have committed gifts to PAM through their estates or planned giving, ensuring a lasting legacy of support. These gifts allow PAM to continue offering resources, conferences, publications, and a network that empowers worship leaders, musicians, and artists.

Making a legacy gift from your estate is an intentional way of supporting the future ministry of the Presbyterian Association of Musicians. When PAM receives assets as a beneficiary under a will or trust after the donor's death, the gift is known as a "Legacy Gift." Legacy Gifts can be made from a variety of asset classes such as cash, securities, qualified retirement plan/ IRA assets, the death benefit from life insurance, or real estate.

WHY JOIN THE LEGACY GIVING SOCIETY?

- Ensure continued support for worship leaders serving in their first call.
- Provide financial assistance to leaders from under-resourced communities, ensuring all have access to professional development.
- Fund initiatives that foster diversity, equity, inclusion, and belonging across PAM's programs.
- Strengthen PAM's ability to educate and inspire worship leaders across denominations.

HOW WILL YOUR GIFT MAKE A DIFFERENCE?

Your planned gift will help PAM continue to support and resource worship leaders and foster inclusive educational opportunities in worship and arts ministry by:

- Supporting the success of worship leaders in their roles.
- Providing mentorship, leadership training, and financial assistance for worship leaders serving in their first call, especially in underserved communities.
- Equipping and investing in next-generation leadership.
- Elevating diverse worship styles.
- Amplifying underrepresented voices in worship.
- Enabling PAM to provide localized resources and support to worship leaders throughout the country.
